## Facultad Docente de la Maestría en Computación del ITCR

## Profesores / Investigadores Universidad

| <u> </u>                       |   |
|--------------------------------|---|
| Loaiza Canet Luis Carlos       | M.Sc. in Telecommunications                                 |
| Coordinador a. i. del Programa | Polytechnic University of Madrid, Spain.                    |
| Araya Monge José E.            | Ph.D. in Computer Science                                   |
|                                | Cornell University, U.S.A.                                  |
| Arroyo Herrera Mauricio        | MBA en Business Administration                              |
|                                | UNED  |
| Bogarín Navarro Rodrigo        | M.Sc. en Telemática   |
|                                | Instituto Tecnológico de Costa Rica                         |
| Castro Mora José               | Ph.D. in Computer Technology                                |
|                                | University of Central Florida, U.S.A.                       |
| Cortes Morales Roberto         | Master en Computación e Informática                         |
|                                | Universidad de Costa Rica                                   |
| De Camino Beck Tomás           | Ph.D. in Environmental Biology and Ecology                  |
|                                | University of Alberta, Dept. of Biological Sciences, Canada |
| Garita Rodrìguez Cesar         | Ph.D. in Computer Science                                   |
|                                | University of Amsterdam, Holland.                           |
| González Alvarado Carlos       | Ph.D. in Computer Science                                   |
|                                | University of Paris, France.                                |
| Helo Guzmán José               | Ph.D. in Computer Science                                   |
|                                | University of Miami, U.S.A.                                 |
| Herrera López Juan Alejandro   | Master en Sistemas de Información                           |
|                                | Instituto Tecnológico de Costa Rica                         |
| Mata Montero Erick             | Ph.D. in Computer Science,                                  |
|                                | University of Oregon, U.S.A.                                |
| Monge Monge Ronald             | M.B.A. in Business Administration                           |
|                                | INCAE Business School, Costa Rica.                          |
| Ramírez Mora Freddy            | Máster en Sistemas de Información                           |
|                                | Instituto Tecnológico de Costa Rica                         |
| Solano Cordero Jennier         | MAE en Administración de Empresas                           |
|                                | Instituto Tecnológico de Costa Rica                         |
| Torres Rojas Francisco         | Ph.D. in Computer Science                                   |
|                                | Georgia Institute of Technology, U.S.A.                     |
